Sir,

LAND ACQUISITION - (South Kanara) - Coondapur taluk - Jog Falls Hydro Electric Scheme - Special staff - Continuance - Report submitted.

****

Ref:- Govt. Memo. No.5537 E.G.-42-43 Rev. Dept., dated 25-5-44.

****

The period of further retention of the special staff consisting of one Special Deputy Collector, and one Lower Division Clerk, one typist and 2 peons for work in connection with the acquisition of lands required for the Jog Falls Hydro Electric Scheme was sanctioned till the end of July 1944 in the Government Memo. quoted above. The Special Dy. Collector now reports that the award enquiry has disclosed a number of complications and that it is not possible to complete the acquisition work by the end of July. He has, therefore, requested that the period of sanction of the special staff may be extended by one month. An extract from hi letter Ref.1/44 dated 15-6-44 is enclosed. The difficulties urged are real and I request that sanction may be accorded ~~that~~ for the continuance of the Special Dy. Collector and his staff till the end of August 1944.

Ramadoss Rao

for Collector.

Extract from the letter No.Ref. 1/44 dated 15-6-44, from the Special Dy. Collector & Land Acquisition Officer, Coondapur to the Collector of South Kanara, Mangalore.

3. In this connection I have to bring to your notice that contrary to all expectations the award enquiry so far made has disclosed a number of complications. The following are some instance found in one village, Hebbige.

(a) There are cases where the father of a joint Hindu family who has major and minor sons and also major brothers with similar heirs claiming compensation to be paid to him only as the properties are self-acquired. But some of the sons and grand sons have not responded to the notice served on them. This involves further enquiry from village officers or other leading ryots as to the relationship of heirs and the nature of the property whether self-acquired or ancestral.

(b) There are several cases of fathers claiming to be the natural guardians of minor sons for ancestral --- properties of the joint family and they request payment of compensation to them on behalf of the minors also.

(c) There are cases where brothers have other --- brothers either major or minor and the eldest brother claims payment on behalf of all.

(d) There are again cases where the father claims as guardian of minor sons but there are joint pattadars similarly situated and further evidence has to be recorded in regard to the share of each family and then as to the shares of the coparceners of each family.

(e) There are also trust properties and endowments for temples and jain basthies where all the trustees have not yet appeared. In one case one trustee claims payment as -- Mukteshwar whereas the board of trustees consists of 13 persons Compensation for these cases will have to be deposited in Court after further enquiry.

(f) There are also cases of disputes between partners in business between widows and their husband's brothers, heirs, and there are widows without any heirs and there are instances where some cousin brothers living in Mysore State set up claims to share in ancestral properties while others are in enjoyment of the lands and houses at Hamar for a long time.

I have mentioned the above with a view to explain the necessity for further time to finish the work. There are on the whole about 77 patta holdings with a long list of fields in some and there are four trust properties and endowments. As things now stand the enquiry is handicapped by absence of parties living in Mysore state or by their coming late and the want of knowledge of village officers of Hannar about their exact claims, relationship etc.. In any case I hope to complete the enquiry by the end of this month. The writing up of awards and award proceedings in about 80 cases will take at least a month more especially as some of the cases are rather involved and complicated as stated above. After the awards are pronounced some more time is necessary for (1) issue of 12(2) notices and payment of compensation (2) for making references to court under Section 18 and 30 of the Act (3) for making deposits under Section 31(4) and for preparing and submitting statements to the Accountant General under Forms A, forms AA (5) taking possession of the lands acquired etc. One other important reason why more time is required is that the Mysore Government have not yet deposited the compensation in our Treasury. For all these reasons I submit that the extension of the period of the Special Staff by one more month (till the end of August 1944) is absolutely necessa and I request that you will be pleased to obtain the sanction of Government accordingly.
